

TUTORIAL

HOW TO MAKE YOUR OWN COPY?

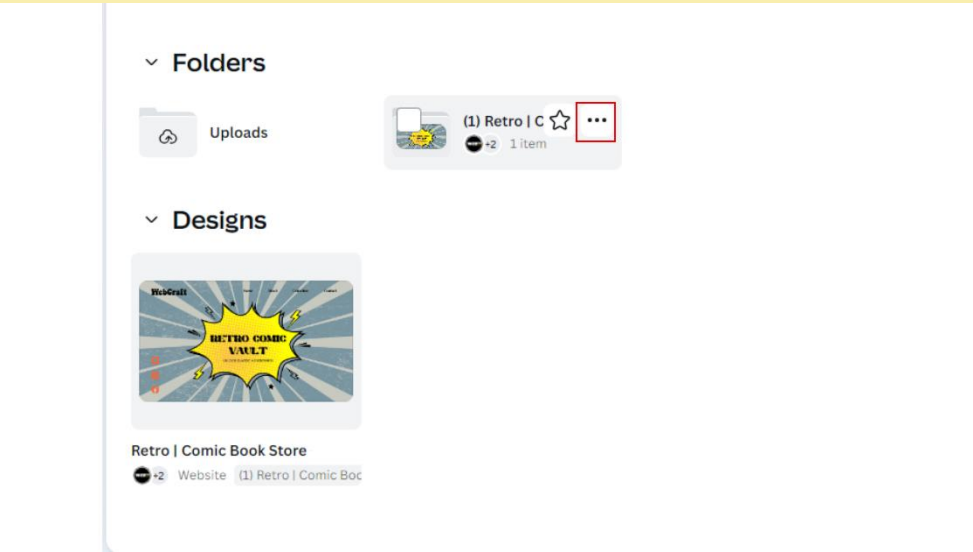

Step 1: Open your Gmail account and click the invite link sent to you.

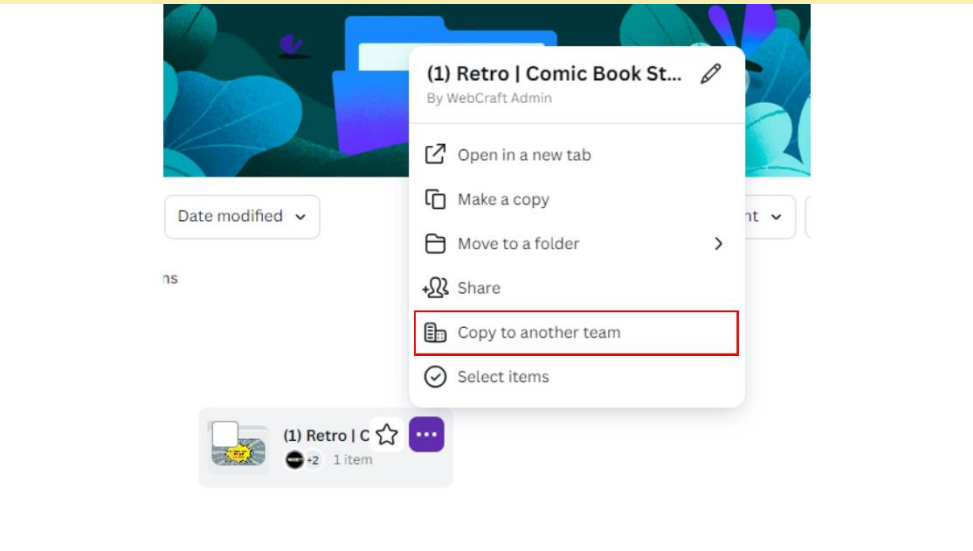

Step 2: You'll be directed to the WebCraft Canva class. Open the "Projects" folder to find the purchased template.

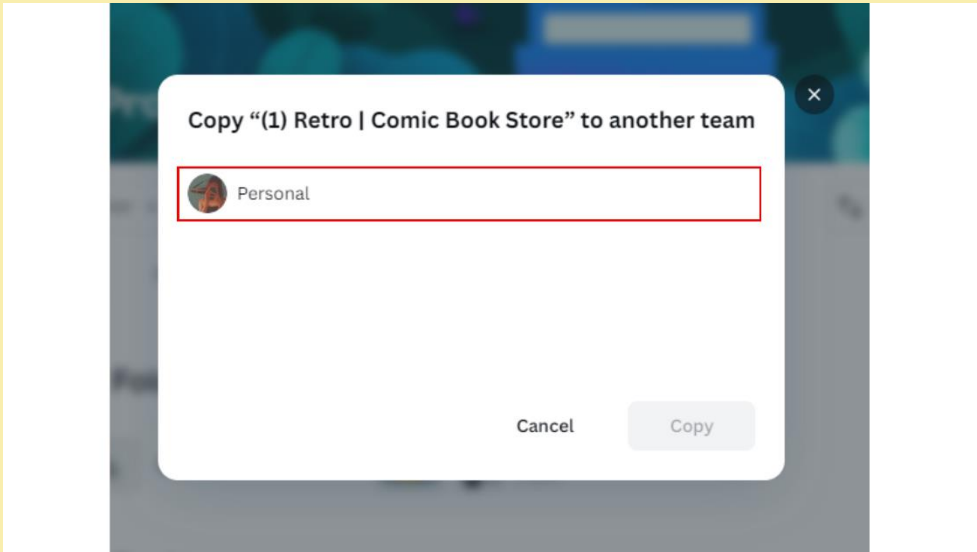

Step 3: Hover over the folder and click the three dots.

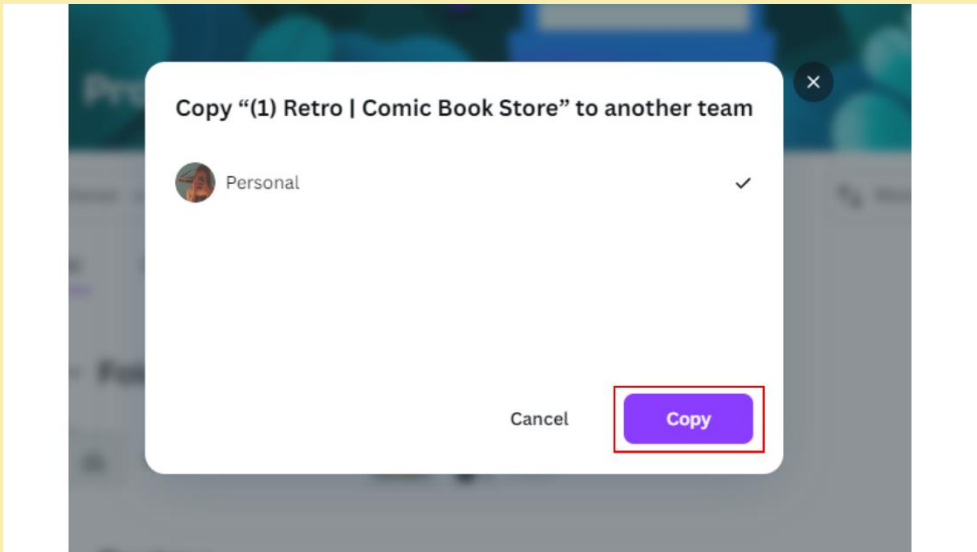

Step 4: Select "Copy to another team."

Step 5: Once clicked, you'll see your personal Canva account.

Step 6: Copy the purchased template and wait for it to be copied to your personal account.

Step 7: Go to your personal account, open the "Project Folders," and you'll now have your own copy outside the WebCraft class.
